Learner’s in Canada may be able to choose the European alternative date and time, if that works better for them. We will ask confirmed registrants for their preferred time slot. We will also ask if they are flexible, in case we need someone to switch. We will require a minimum of three learners in the alternate time slot to be able to run those sessions.

We will record many of the tutorials so learners can view them at whatever time works best between sessions. The Class Sessions will be used to answer questions about the between session assignments, and for skills practice with coaching as well as coached role play practice.

We are considering making it possible for learners in other time zones to send in their role play videos for evaluation by a coach, so it can be completed at a time that meets their schedule.

WE WILL CREATE OTHER ALTERNATIVE DATES/TIMES TO MEET THE NEEDS OF EAST ASIA TIME ZONES IF THERE ARE ENOUGH LEARNERS AVAILABLE FOR THOSE ALTERNATIVE DATES AND TIMES.
